April in Conesus is a feast for the senses. The new quilt of springtime blankets the countryside, water courses down creeks and streams, gullies and reaches, sunshine stirs ambition in plants and animals alike. It's an invigorating, intoxicating time of year. We are blessed to live in such a place as this, our Conesus.

Supervisor's Report: Beginning April 1st you may access my Supervisor's Report on our Town of Conesus website. This will enable you to refer back to past columns, should you so desire.

Conesus Recreation News! Julie Cranmer Shutt has recently been appointed as Conesus Recreation Director. Julie currently teaches at Circle Nursery School in Avon. I am confident that she will be a wonderful asset to our Recreation program. Please look for this summer's Conesus Recreation program details in the May issue of *Discover Conesus*.

Youth Day on May 17th at Vitale Park will be sponsored by Conesus Lake Association. The event is scheduled from 9 am until 4 pm. The first Youth Day was held last May and attracted well over 1000 youth. Parents, you will want to put this event on the family calendar.

Conesus Clean-up Day is set this year for June 7th at Conesus Highway Department. From 9 am until Noon. Please refer to the ad in next month's *Discover Conesus* for details of eligible items.

Scrap metal can be taken directly to Fugle's any Monday – Saturday. There is no reason to bring scrap metal to Clean-up Day. So, please, gather up your scrap metal and take it to Fugle's.

Free Household Hazardous Waste Collection will be held on Saturday, May 10th at Mt. Morris in Livingston County. Appointments required; call 1-800-836-1154 or 585-344-2580 x 5463. You may also e-mail: glow@co.genesee.ny.us

Grievance Day is scheduled annually on the last Tuesday in May in every municipality statewide, **except when** two municipalities share one assessor. Conesus and Lima share Assessor Robert Morgan, which necessitates our changing Grievance Day for Conesus to the last Thursday of May. This change of date will be introduced as a Local Law, which will take effect after a Public Hearing, is held on April 15th at Conesus Town Board meeting.

Conesus Planning Board is pleased to welcome James Mylacraine as a new member of the Board. Mr. Mylacraine brings with him a wealth of experience from his many years on the Planning Board of the Town of Bristol.
